Subject: Map of Mine Pit Locations & Acreages

Pursuant to a telephone conversation with Mr. Tom Munson, I am providing with this transmittal letter a map. This map is known as "PLATE 2.0-1C" (revised July 7, 1998) and is the same as that submitted to the Division of Oil, Gas and Mining with the request for a plan amendment dated August 25, 1998.

Mr. Munson suggested that this map would aid you in your work regarding Brush Wellman's mining operation. If you need further information, please contact me by telephone at (435) 864-1211 during regular business hours.

Thank You

Greg G. Hawkins
